- Stephanie will be stepping down from the Board at the end of 2022 and will continue to provide support as an advisor.
- Kieran will step down as immediate past president at the end of 2022. We thank both of them for their considerable contributions.

Financials

- The financial report for October 2022 was submitted.

Recognition

- We have five candidates registered for the SCMP and CMP in November.

Membership and member experience

- The Member Experience Survey ran for one month in October attracting a good response rate. The total NPS was +28, across members and non-members, which is a significant improvement from 2019. It was notable that Gold Quills rated very highly in the survey along with networking opportunities and events as important and valued experiences for members.

Events

- We have almost 40 people registered for our next event at Meta on the metaverse.
